Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD. There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Sidney's thick butt is outstanding. We love amateurs with a little extra cushion, and Sidney's plump tits and thick ass are ready for action. She's squirtin' in the shower just for you.

Christine has a dirty mouth. You have to hear the filthy stuff she talks about while our porn stud pounds her from behind. She licks her lips and moans as she gets her face blasted with cum.

Kenzie is a tiny little blonde. She's a 22-year-old dental hygienist with a shaved pussy, A-cup tits and a vise-tight pussy. She's cumming outdoors and soaking in the sun.

Giselle is swell. Playing a babysitter, this hot black chick with a bangin' bod is riding a white dick until she cums. Then, she jerks that cock until it oozes hot cum on her pretty face.

Shasha doesn't tease. Do you know why? Because she's a 41-year-old MILF who knows exactly what she wants. Young cock. She gets it, too. Right up her experienced asshole.

Lexi was the popular girl in school. Watching her finger her tight, young cunt on all fours, proudly displaying her tight, pink asshole, you can see why.

Hannah is just plain adorable. She's a cute, little blonde teen with itty-bitty titties and the face of an angel. Her pussy is shaved smooth, and her pussy lips are plump and ready for sucking.

Kaci is a cock socket. This young brunette can't get enough dick. She loves them in her mouth, asshole, pussy, hands or wherever else she can get one. In this scene, she's sticking to her mouth and pussy, and she's loving every single second of it.

Kay's a cashier with a tight clam. "My boyfriend has been begging me to shoot pictures with him for the longest time," Kay informed us. We're glad he pushed so hard because now we get to enjoy this 21-year-old's slim, tight body and bright pink pussy.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: Alice
From: West Virginia
Height: 5'7"
Weight: 145

Alice was voted the homecoming queen of her school, but this popular girl has some kinky bedroom habits that would probably shock her classmates. "I'm really big into being submissive during sex or as a form of foreplay. I like it rough and almost 'abusive' in away. There has to be consent, but after that, I want to be abused and fucked like a little whore."

Alice's solo debut pics start on page 32.

Alice gets manhandled and fucked raw in our next issue. Coming August 3, 2021.

Job: Student
Age: 19
Birthdate: May 4
Height: 5'1"
Weight: 100 pounds
Bra Size: 32B
Panties: Thongs or boy shorts
Anal: Licking and toys only
BJs: Spit, usually
Masturbate: Like, all the time

When Dakota took her top off and showed us her adorable little titties, we complimented her. "Thanks," she replied. "I know they're small, but I like them. When I go out, I never wear a bra. I don't have to. My boyfriends in the past have enjoyed having easier access, too."

Standing 5'1" tall and weighing in at only 100 lbs., Dakota packs a whole lot of sex appeal into a tiny frame. This Massachusetts native assured us that she is a shy girl-next-door type, but she didn't act like one when we got her in front of the camera. "I'm usually nervous and shy, but my horniness outweighs that!"

She's ready for anything.
"I lost my virginity when I was really young. I've always had a healthy sexual appetite. I'm into choking, pegging, strap-ons, vibrator play, hair pulling, threesomes and a bunch of other stuff I can't think of right now."

"My coworkers would be shocked to see me in a porn magazine," Emerald shared with our LA photographer. "At work, I'm sort of quiet and just want to get through the day. If my girlfriends found out about this, though, they'd probably laugh and say 'that sounds about right.'"

"I think the craziest thing I've ever done was go on stage at a strip club's Amateur Night. I was so nervous, but the experienced dancers gave me some pointers, and I got caught up in the music. It was insane how horny it made me."

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

PORNSTAR TIPS:
SIMPLE TRICKS TO PLEASE YOUR LADY.

We spent the past few months asking our models to share tips about how the average guy can make a woman cum better than a porn stud can. We were amazed by how many of the girls said the same things. Here are the top five responses, organized and edited for clarity.

• Porn sex is different than home sex. Not every guy can stay hard for an hour and pump his penis faster than Usain Bolt can run. And, that's not what women want all of the time, anyway. Go slower and gentler than you think you should, then ask if they want it faster or harder.

We wish sex-ed covered this!

• The clitoris isn't a magic button that immediately causes a woman to cum.

Study these tips and reap the rewards.

• No matter how quickly you want to get to the action, make sure to spend a few minutes making out with your girl before you stick it in!

• If we say don't stop, don't fucking stop! Don't do anything differently than what you are doing when she tells you not to stop. Don't go faster. Don't slow down. Keep doing that exact thing!

• Don't be offended if we tell you to change something. Your "signature move" that worked on your last girlfriend might be painful for your new partner. Even the best NBA players in the league have coaches to teach them to adapt and learn new skills. Don't be bad at sex just because you think you know everything.

HOW HAS COVID-19 AFFECTED OUR SEX LIVES?

Scientists and researchers at Indiana University have found that 49.2% of American adults have experienced changes to their sex lives since COVID-19 landed in early 2020. That number tracks with the data collected by an NBC News poll. Respondents reported a downturn in libido and the frequency of their fuck-habits. Since nearly half of our fellow men are experiencing a hard-on hardship,

WHAT'S THE DEAL WITH FEMALE VIAGRA?

There are a lot of reasons why a woman's libido can ebb and flow. Whether it's due to physical changes, stress, pregnancy, age or any other reason, a low sex drive can put a strain on a relationship. Some 10% of women say that their low sex drives cause them distress. Now, the FDA has approved medications that can help treat this common malady known as hypoactive sexual desire disorder. Flibanserin, a medicine commonly known as Addyi or referred to as the little pink pill, a play on Viagra's nickname, is the most widely prescribed in the United States. But, the two medicines don't work the same way.

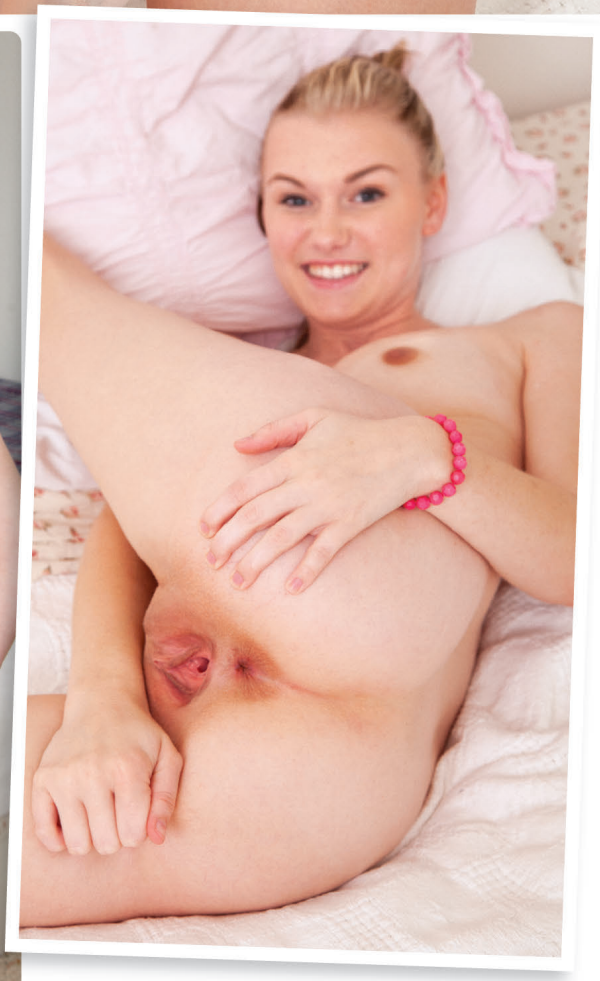
For men with erectile dysfunction, Viagra helps them get a functional boner. Some 52% of American men have dealt with ED, and they'd be the first to tell you that even though they're willing, their Johnson just won't cooperate. Their libido is still fine. Viagra relaxes the muscles in the penis and boosts blood flow down there. Addyi, on the other hand, works entirely on the brain. Serotonin inhibits sexual feelings, so Addyi reduces serotonin activity. It also affects norepinephrine and dopamine levels. This is welcome news to any couple that may be experiencing a dead bedroom.

What does this little pink pill do?

Job: Lifeguard
Age: 20
Birthdate: October 10
Height: 5'5"
Weight: 119 pounds
Bra Size: 32B
Panties: G-strings or thongs
Anal: Finger me, that's all
BJs: Always swallow
Masturbate: Hell yeah!

Cassidy has a toned body, but it's not because she works out a lot. "I almost never work out. I hate it. The only time I enjoy being sweaty is in the bedroom. That's how I stay healthy. That and swimming for my job, but that's fun for me."

"I wear a swimsuit for work, so I keep my pussy shaved. I don't want to have pubes poking out of my suit. The woman who trained me had a huge fucking bush. As a matter of fact, she had the first bush I had ever seen. I couldn't help staring at her crotch after we went into the employees shower."



Cassidy's sexploration.

"I'm definitely straight, but I've been curious about girls lately. I like the way they move, the way they smell and how gentle and sexy they are. I have a lesbian friend who flirts with me all the time, so I think I'm gonna try it with her."

Alice has all the confidence of a homecoming queen, and that's for good reason. She was the homecoming queen."I love when I'm the center of attention," Alice told us. "I'm an assertive person, naturally. During sex, I'm downright aggressive. Unless you can put me in my place, that is. Then I'll purr like a kitten."

"A few years ago, I had sex with my boyfriend in front of four of my closest friends. One of them made popcorn! That's kinda when I knew that I wanted to film a porno. When I cum, I usually orgasm multiple times. That day, I think I came, like, seven times in a row. Something about showing off made everything feel more exciting."

Limber little Alice.

"I did cheerleading, gymnastics and softball each for around eight years. I like to stay limber. My ex used to like it when I straddled his cock while doing the splits. It felt nice for me, but he loved it. It was guaranteed to make him nut."

Kami, short for Camille, is a Russian babe with a cute innie pussy. "I don't think I'd like having big pussy lips, but I can admire them on other girls. I've hooked up with a few girls from my university, and one girl had big pussy lips. It was so much fun licking and sucking on them! I liked how soft they were on my tongue."

"I got my nipples pierced last year. I was scared, but my friend was going to get it done, and I went with her. Once we got to the place, I was like, 'Fuck it. That looks cute.' I'm pretty glad I did it. Now, when I have sex, my nips are more sensitive. I could probably cum just from having my chest rubbed."

How Kami likes it.
"I masturbate all the time. I start off with my vibrator on my clit and that gets me really wet. Once I can feel my juices dripping down my buttcrack, I slide the vibrator inside my pussy. It feels so tight in there!"

When Harlow showed up to shoot some solo pictures, we knew we had to convince her to fuck for us, too. As it turns out, she didn't take much convincing. "I thought you'd never ask!" she gushed. "I really wanted to fuck a porn guy, but I was kind of nervous, too. Most of the guys I've been with have been on the small end."

Harlow was the covergirl for our last issue. When we told her that she would receive that honor, she was almost giddy. "No way! That's awesome. I hope a bunch of guys jerk off to my pictures. I love sharing nudes with guys from school, and this is like that times a million. The idea that complete strangers are jerking off to pictures of my pussy turns me on so much."

"I loved sucking on your porn guy's cock so much. It was a lot of fun to play with a big one. I know there are some guys in porn with, like, massive 11-inchers or whatever, but that doesn't seem like fun to me. I like deepthroating, and I wouldn't be able to do that if the guy is super long. The entire time I was giving the stud head, I was thinking about how good that dick was going to feel inside of my pussy."

The juicy details.
"I can squirt when I cum, but it doesn't happen every time. The penetration needs to be at just the right angle. I can do it to myself, but it's more fun when the guy does it. I love watching my juices flow all over the guy's shaft."

Put yourself in Brianna's boyfriend's shoes. When Brianna walks into her room and sees you waiting for her, she's excited and wants to give you a show. She starts off by teasing you–flashing her ass and giving you a close-up view of her lace panties. She spreads her legs wide, pulls her underwear to the side and gives you a quick peek of her smooth, wet cunt. It's around this time that you realize that you're in for a real treat.

Brianna's big gaper.
"I used to date a guy who liked fisting porn. He told me that he couldn't find any girls willing to do it, but I was curious. We worked up to it, and I had to learn how to relax and loosen my pussy muscles, but we eventually got it to work."

Jessae got her pussy railed and her face painted with jizz in our last issue. She's back with solo pictures because we know some of you guys prefer porn sans dicks. Plus, we wanted another chance to talk to this cutie pie with the mouth of a sailor. "Thanks for having me back," Jessae said. "I'm sad I don't get another fat cock to sit on, but I'll still put on a show for you!"

We asked Jessae to talk about what turns her on. "I love getting high and then spending an hour slowly sucking a guy off. I get lost in my head a little bit and methodically slurp, suck and lick him until the guy cums. That's my favorite thing to do in the whole world. I especially love it when men cum on my face!"

Line up the firing squad.
"I've been watching a lot of bukkake porn lately when I masturbate. I want to do one! It would be awesome to jerk and suck a bunch of guys off and then have them all bust a nut on my face, one by one. That would be awesome!"

we figured we'd take a look at exactly what's going on.

Lovehoney, an online sex site that specializes in toys and lingerie, estimate that only 32% of American couples were sexually happy during the darkest moments of the pandemic. One guess as to why that may be true is because couples who usually spent their days at work were suddenly spending 24/7 together. Or, it could be chalked up to the overall stress people dealt with during a time of national strife.

Some couples weren't affected by COVID-19.

THERE IS SOME GOOD NEWS.

Not every couple experienced a downturn in their sex lives, though. Some people loved spending more time with (or in) their partners. The Lovehoney survey found that 38% of couples reported that lockdowns improved their sex lives, but didn't change the frequency of their relations. Perhaps surprisingly, 54% of couples reported that they became more sexually adventurous. There were regional differences in the numbers, too. Residents of SCORE Group's home state of Florida recounted a 14% boon to their sexual activities while residents of California reported a 19% decrease.

SEXTING AND VIDEO DATES WERE HELPFUL.

The way Americans had sex in quarantine also changed. Facetime, Zoom and other online chat platforms enabled couples to have video sex while they were separated. The Center For Disease Control in British Columbia, Canada recommended glory holes as a safe alternative to face-to-face intercourse. Dating changed, and "not interested in face-to-face dates," became a staple message on hookup and dating apps.

NO SUMMERTIME BOOST THIS YEAR.

The amount of sex couples usually have peaks in the summertime. According to information gathered by a mobile phone app called Eve, of the 1.27 million users who allowed their data to be collected, female users are most sexually active in June, July and August. Those women reported that out of their yearly sex quota, 41.5% of their lays came in the summer. Compare that to 38.8% in fall,

36.8% in winter, and 35.8% in spring. You can see that there is a preferred season for fucking. Why is that? Well, vacation sex could be one reason. When couples go out of town together, there's a reasonable expectation of romance. Travel was shut down, so that excuse for extra bone-sessions went out the window. Another reason is that people tend to get in shape in the summer, and a toned body is a fuckable body. But, how did the pandemic

This still beats sexting

affect this yearly phenomenon? Well, the available data we looked at show this year's numbers pale in comparison to the past few years. The added stress was partly to blame. Also, having to be around one's spouse 24/7 was frequently cited as a reason why the hotter months didn't have their usual spike in fornication.

THE COVID-19 BABY BOOM WAS A BUST.

Heavenly hangers. Big ol' beauties. Jumbo jugs. Thunder puppies. Call them whatever you want. Bella's gigantic titties are things of beauty. We heard about Bella's knockers from a talent scout in Colombia and knew we had to see 'em.

Bella was the covergirl for ***NN2604***. Since that issue hit the shelves, we've been bombarded with emails and letters telling us to get her back. We called her boyfriend (Bella doesn't speak English) and told him that we needed more content. "You got it," he told us. "She was so horny after the last photo session. She was like a nympho. I can't wait to do it again."

Like a hot dog in a canyon.
"I love the feeling of a hard cock sliding between my boobs, but most of the guys I dated in the past didn't want to do it with me. They said that it made their cocks look small! That's why I prefer guys with big dicks."

"My best friend showed me a *NN* that her boyfriend left at her place because she knew it would interest me," said Amanda. "Right away, I said that I wanted to be in it. I'm between boyfriends, so I asked her if she'd take the photos for me. She had seen me naked in changing rooms, but this was pretty different!"

"I don't have a boyfriend. I'm recently single and loving it. My last boyfriend was an immature jerk, and he did not satisfy me at all when it came to sex, or anything, really! Now that I'm single, I'm dating new guys and having the best sex of my life. I've got a few guys on the line who can come over when I text them or hit them up online. It's a perfect situation."

Offering up her T and eh?

"I'm your pretty typical Canadian chick. I like hockey and poutine and all of that other stereotypical stuff. My friends from the States liked movie stars growing up. I grew up having crushes on players on the Canucks!"

Kimmy's back! She couldn't wait to show off for you guys again. "I thought that I would be too nervous to cum last time I shot photos for you," Kimmy explained. "But the opposite thing happened. I was surprised by how wet I was! I was, like, 80% of the way there!"

"There's a big theme park in my hometown. It has waterslides and pools and cool stuff like that. When I was in high school, it was where all of the kids from my school would hang out during the summer. I got a job working a concession stand and spent every afternoon fucking coworkers, going swimming and being crazy. That's where I gave my first blowjob!"

Lube is your friend!
"I only tried full-on penis-in-butt anal sex once, and it wasn't for me. It felt good when the guy was just rubbing his cock on my ass, but we didn't use enough lube. Anyway, now I stick to just licking and maybe a finger sometimes."

started to set in, there were countless jokes about quarantine baby booms on late night TV and in newspapers. But, more than nine months after countries worldwide announced shut-downs and stay-at-home orders, we haven't seen anything like that. In fact, there will be a lot fewer newborns worldwide than there were last year and the year before.

Social distancing kept one night stands to a minimum. Budgets were stressed to the point that couples debated if they could afford childcare. And, stay-at-home orders kept young couples separated from one another, unable to do the horizontal mambo required for baby making. Planned and unplanned pregnancies both went down throughout 2020 and the beginning months of 2021.

A Brookings Institute report indicates that there will be 300,000 fewer babies making their way into the world next year. Based on Google search trends, the amount of Internet searches in sex and pregnancy have gone down considerably, too. Some fertility doctors have reported that their patients are choosing to wait for a little while until they know how their lives will shake out before they have children.

Some of our readers in colder regions will be familiar with the common theory that severe snowstorms always happen nine months before a big surge in population. But, that common saying might not be rooted in fact. As the pandemic has shown us, simply being forced inside with your partner isn't enough to cause pregnancy.

WE PERSEVERED. WE WILL RETURN TO NORMAL.

Humans will always find ways to fuck, no matter what obstacles are placed in our way. We here at *NN* hope you're happy, healthy and horny, and that your partner(s) are, too. Thanks for being our neighbor.

Here's a porn industry secret: It's hard to shoot an anal scene unless the girl really likes anal sex. Luckily, Arwen loves having her asshole filled with cock. "I usually prefer it, if I'm being honest," she told us. "It might have something to do with my physiology, but I can cum easily from anal and oral, but vaginal sex takes me forever." It takes an extraordinary girl to make an anal fuck scene this hot look romantic.

Arwen likes playing video games in her free time. "I've been getting into VR lately. There are some really cool shooter games and stuff. I originally bought it for virtual reality porn. It's awesome, even if there isn't a lot of POV stuff from the woman's perspective. It's so realistic."

Who would turn her down?

"I take a small buttplug with me on dates in case I decide to sleep with the guy. I've only ever had one guy turn me down when I told him I wanted it in my butt. I ended up just sucking him off instead, but I was disappointed because I was so horny."
